Dedication

We dedicate this Yearbook to the history of Oklahoma. Proudly we look upon her colorful past, realizing that a state with such rapid growth as ours must certainly still have the pioneering spirit which made it so very great.

Superintendent of Schools

Dr. J. Chester Swanson, Superintendent of the Oklahoma City schools, received his A.B. degree from the University of Richmond and M.A. and Ph.D. from Duke University. He has had experience as Assistant Superintendent in school administration, business administration, curriculum development and vocational education.

He has been written up in the Who's Who in American Education and has held teaching certificates in six states. Also, he is president of the Oklahoma School Administrators.

Our Principal

This 1955 Yearbook has been published to perpetuate each student's and teacher's memory of school studies and activities. May this book continue through the years to be a reminder of the happy days spent at John Marshall High School.

Much that is fine, noble, inspiring, and good about John Marshall High School can be directly attributed to the outstanding character of the student body and teaching personnel. You students have received the fundamentals necessary for success in the future. You have been educated to the basis of intelligent leadership and useful citizenship as well as self satisfaction and happiness. Much has been accomplished during this school year and may all remember it as being an outstanding event in your life. Best wishes to an excellent group of students and teachers.

Sincerely,
HARRY A. WEST
Principal

Our Assistant Principal

Dear Students,

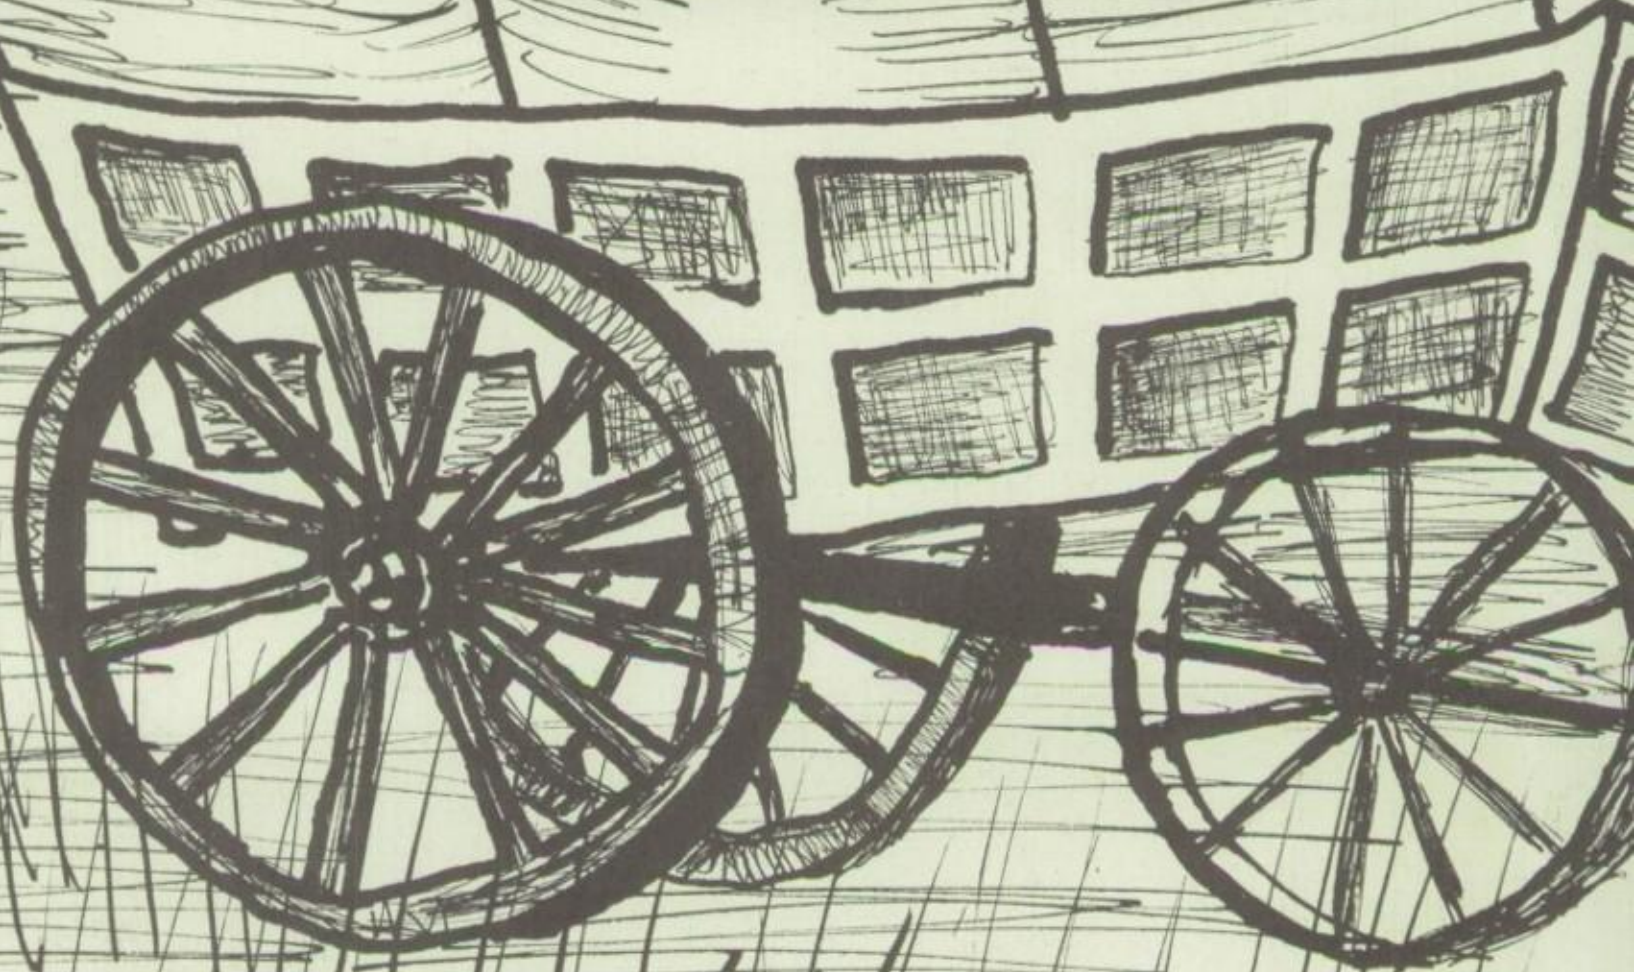

I have enjoyed working with you people this year and I want to thank you for your cooperation and help.

I have never met a better or kinder group of students and we all know that your good work at John Marshall will take you far.

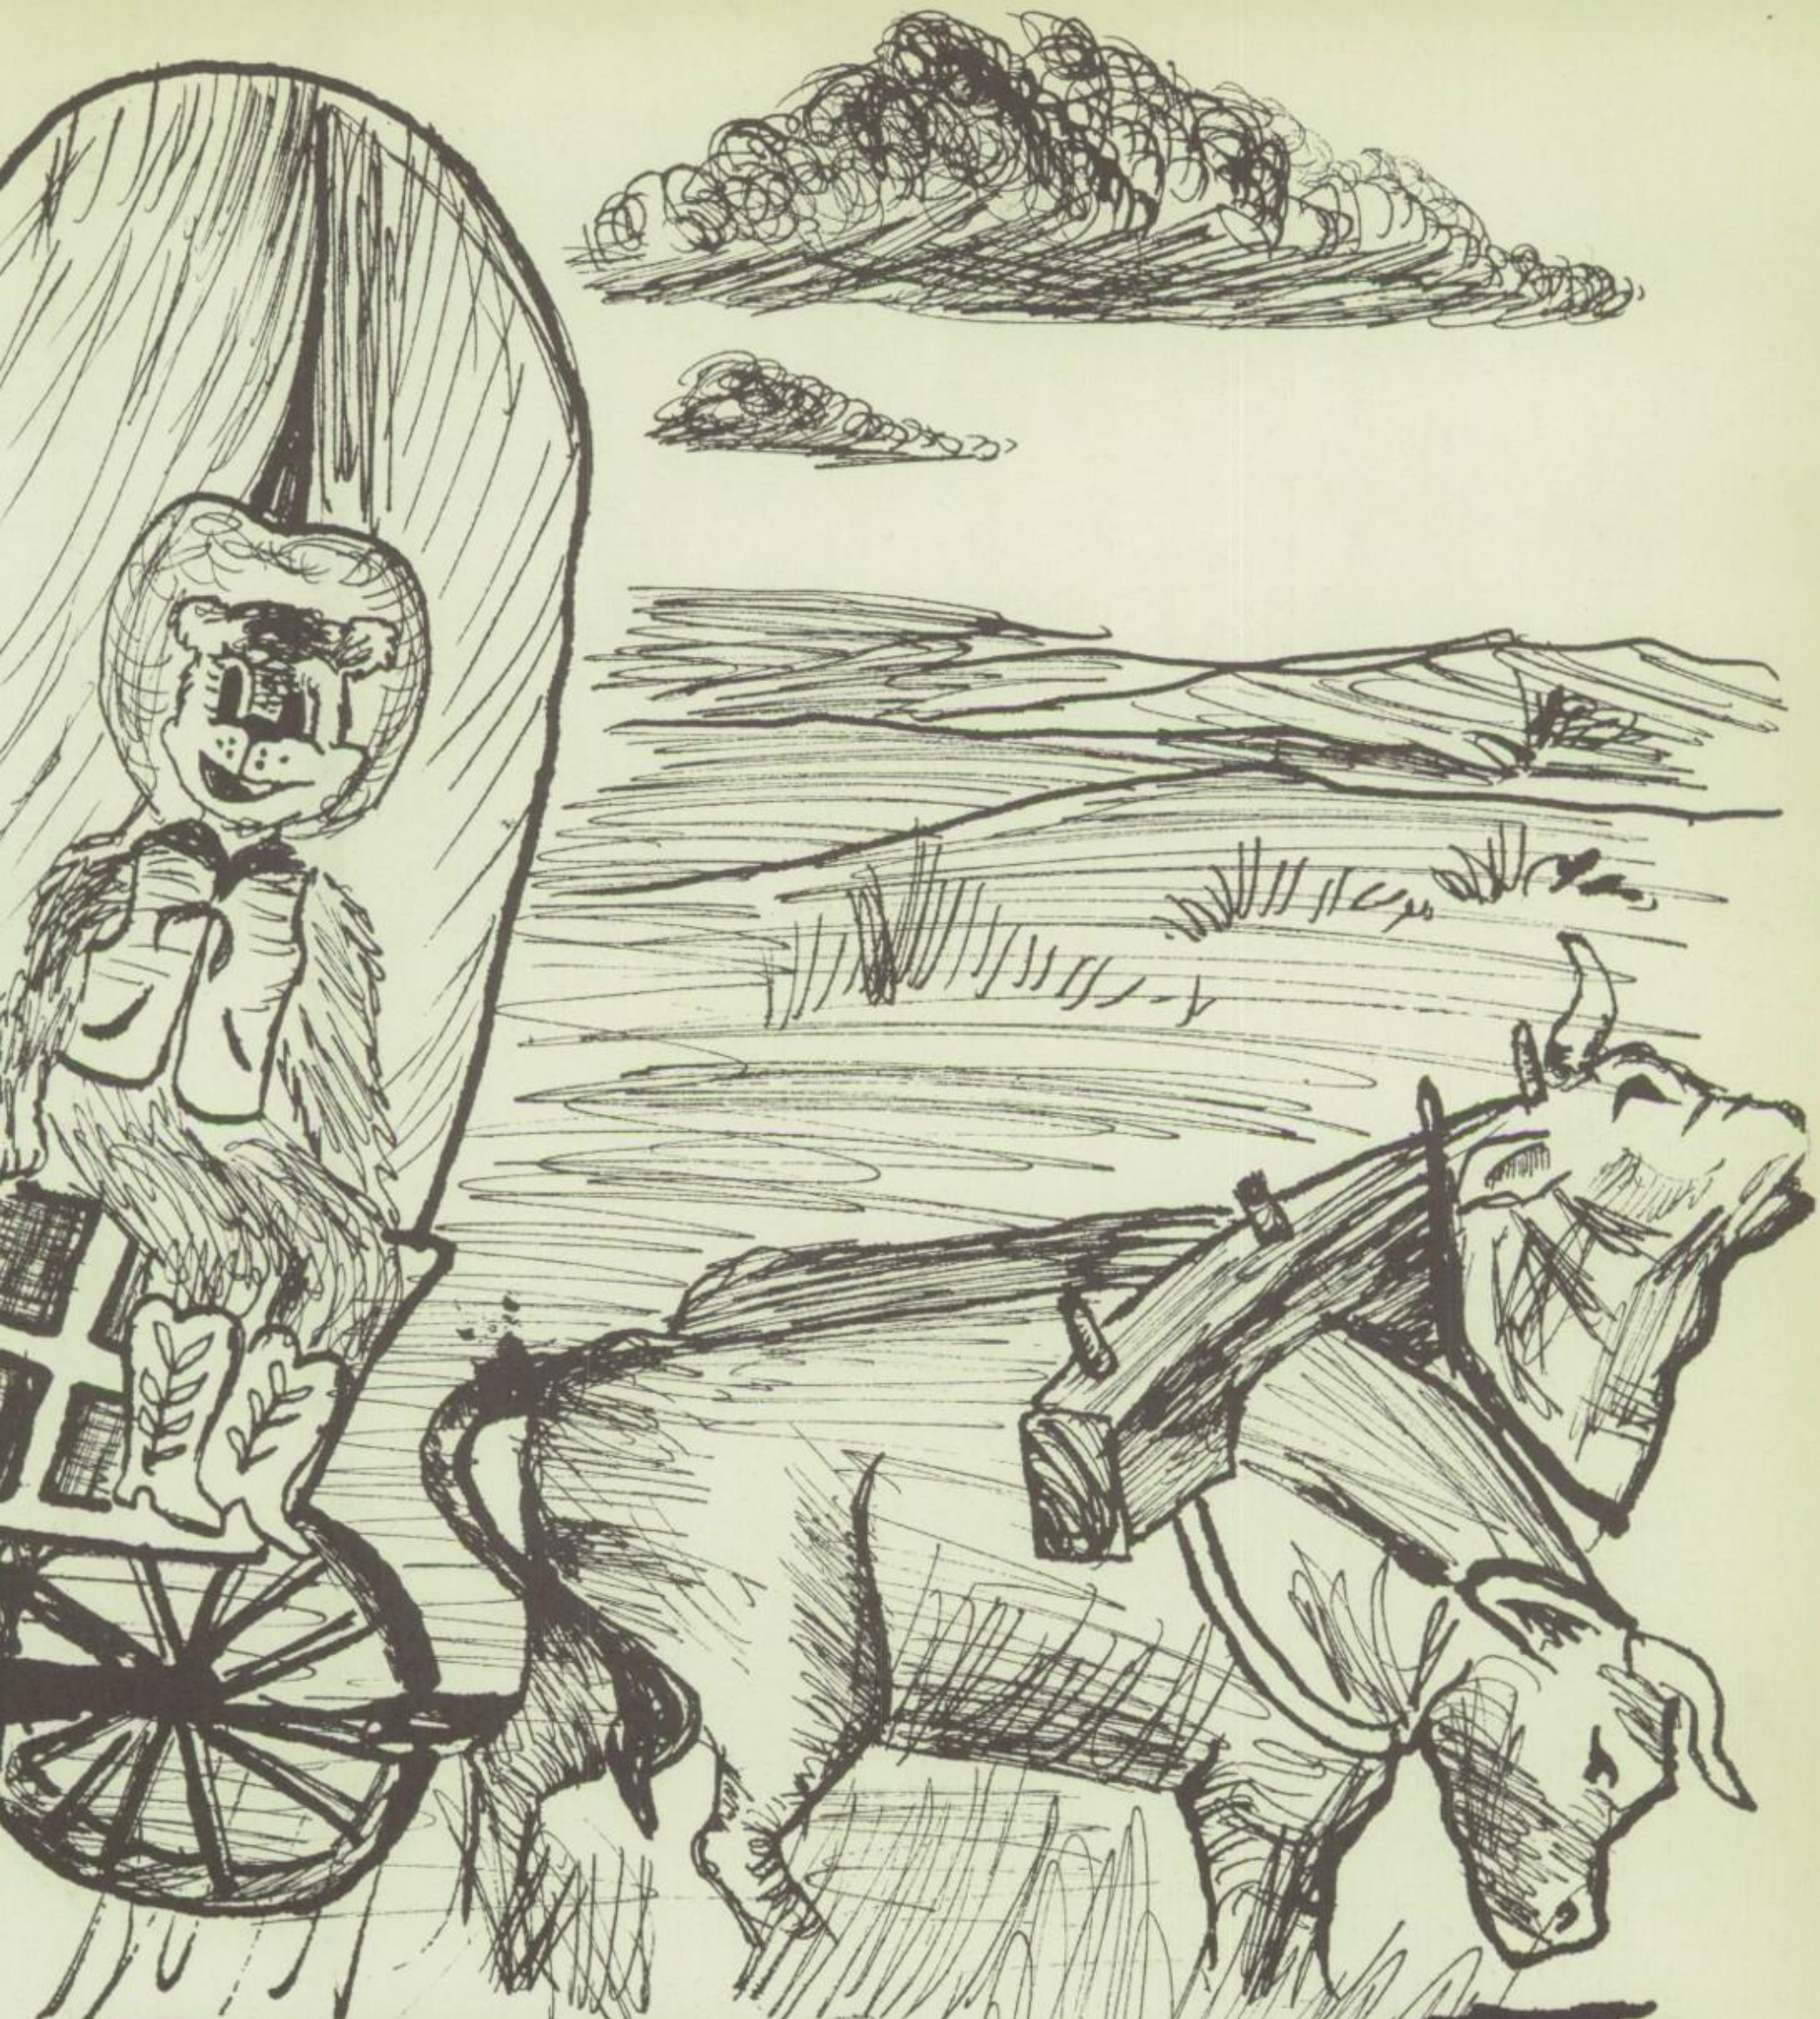

Life is not measured by its duration but by its donation. You have donated much and we wish you great success and happiness on through life.

Your Assistant Principal
J. GARWIN FLEMING
